WELCOME NEW MEMBERS

The new members are listed on a separate page (along with roster corrections) so you can add them to your roster. Look it over and see if anyone in your area has joined the club and give them a call and welcome them to the club. Also remember we use a postage permit. This saves the club several hours each month. So be sure to let the Editor know if your address is not correct or if you have moved. Be sure that your ZIP code is correct also, it can slow your mail down, so check your address label. All members please indicate their FCA number when writing to the club.
